

NEW-YORK TRIBUNE.

TEMPERANCE IN ORANGE, N.J.—Mr. Edward—Quite an excitement has been got up in our quiet village on the subject of temperance, by discussions made by a Vigilant Committee of the amount of sales in our grog-shops, and the evil consequences of the result. A fixed determination seems to possess the minds of the inhabitants to drive out the accursed traffic from our market, and already, by remonstrance, they have induced three rum-sellers to give up the business. In the evening a public meeting was called in the First Presbyterian Church, which, though a large building, was filled. The report of the Committee was read by Rev. Mr. Reed, and the people were addressed by Rev. Mr. Marsh of New-York, who gave us an account of the time and work of his wonderful operations, as carried on in his church in that State. He said that there was there a speedy and perfect remedy for the whole evil, just as practicable, if the people would take the matter in hand, in New-York as in Maine. Let the traffic be abolished and the temptations be put out of the way, and the evil is at an end. I think you may yet hear good news from Orange, and that the spirit of Maine is taking possession of the whole county and State. We can bear the burden no longer. S. V. Sept. 4, 1851.

Markets and Stocks.

PHILADELPHIA, Thursday, Sept. 4, 1851.—The FLOUR market continues quiet. The export demand is limited, and only 500,000 barrels fresh ground have been disposed of at \$3 75-\$3 81. Barrels, the rate for a better brand. There is a fair demand for the supply of the city dealers at \$3 75-\$4 for common and good brands; \$4 12-\$4 50 for choice lots and extra, and fancy brands at higher rates. FLOUR is held at \$2 25, and COOK MEAT at \$2 65/- barrel, but no sales have been reported. The market is rather better supplied with flour than with grain, and prices are lower. Prices of 3,000 lbs. good and prime new wheat are 65c per bushel. B.V. is at 66c per bushel. CORN continues to come in, in good demand, and is held at regular lots of yellow 35c per bushel, but are in good demand at 34c. Yellow is lower, but they are very few arriving. In GROCERS, there is no change. An import of 100,000 bushels of rice is held at \$2 60, and the latter at 25c.
